Chris Gayle-Christopher Henry "Chris" Gayle (born September 21, 1979) is a Jamaican cricketer who plays international cricket for the West Indies. Considered one of the most powerful batsmen in limited-overs cricket, Gayle has set numerous records in all three formats of cricket. He is the first man to score two centuries at the ICC World Twenty 20's. Chris Gayle, at his best, is devastating. He is the first only man to score seven or more tons in the Twenty20 format; and is the leading six-hitter in Twenty20s. This Jamaican batsman is all about power and brute force.

"I've hit balls into stands...I've hit balls over stands..I would like to formally apologize to the owners of the cars I have dented"

M. F. Husain was a modernist
and a great admirer of modern
aesthetics - be it painting,
architecture, design, literature,
poetry, music and art in all its
forms. This chair was one of the
few classical or colonial design
that he acquired. It reminded him
of the “British Raj” - a period
in which he painted extensively
under the same name.
